

*In his hand is the life of every creature and the breath of all mankind...*

Job 12:10

1.17.2021

## sanctity of human life sunday

From 1973 to 2017 more than 60 million lives have been lost to abortion. Annually, an estimated one million abortions are performed in the US.

In 2014, nearly two in ten pregnancies in the US ended in abortion.

*We must protect human life.*

**Who we are:** Bedford's only crisis pregnancy center, we are **pro-abundant life**. We strive to help mothers and families make positive pregnancy decisions and choose life for their babies – but we also encourage them to choose a life with Jesus Christ as their Lord and Savior.

**What we do:** We meet our clients' physical needs, so that we can meet their spiritual needs. Providing material aid and making the path to motherhood easier through parenting classes and support groups opens the door to so much more! We have seen mothers come to Christ through their interactions with us.

## Will you join us?

**Your support tells our clients that they are loved and worthy.** To receive aid from unseen hands touches their hearts and speaks much louder than words.

**God CAN and WILL multiply your gift.** It's like the loaves and the fish – God can do amazing things with even the smallest gift, but someone has to step forward and give.

**Your support will SAVE LIVES in our community.** What will these children grow up to be? How will they contribute to our community and to our world? Only God knows!!

## Start today!

### 3 EASY WAYS TO BE PRO-ABUNDANT LIFE

1. Pray that women and men making pregnancy decisions will chose life and choose Christ.
2. Help a single mom in need. Offer child care, a meal, grocery shopping, baby supplies... if you see a need, fill it!
3. Support Hope Resource Center. Donate. Volunteer. Pray with us. Join our email list. Collect supplies for us. Even the smallest gift makes a huge impact!

*Ask God to lead you, and you'll go far!*
