Pastoral Council

President John Marshek, email: jmarshek@gmail.com, 812-276-6419

The Pastoral Council is a representative body of the People of God of the Catholic Community of Lawrence County, which includes St. Vincent de Paul and St. Mary of the Assumption, in a relationship of shared responsibility with the Pastor and the Pastoral Staff. The Council shall be the instrument which enables the CCLC to experience itself as a community of faith which is called to proclaim the Good News of God's Kingdom present among us.

Finance Committees (St Vincent de Paul and St Mary of the Assumption)

Chairperson Ross Jean, email: thegrjean@gmail.com, 812-508-5632

Each parish of the CCLC has a finance council which operates in accordance with Canon 537 of Canon Law. It is the responsibility of each finance council to aid the pastor with the financial needs of the parish with a consultative voice only. The finance council of each parish has the responsibility of overseeing the parish budget process, providing for the financial controls, analysis of financial reports, review and approval of the annual operating budgets, new facility expenditures, and review of extraordinary expenditures. The finance councils also provide periodic reports to the parish relative to the parish finances.

Mass Participation

Call the church offices to volunteer to help during the masses. There is training for the different positions, many are needed to help our masses go smoothly. We are looking for volunteers as altar servers (children and adults), choir members which includes cantors, eucharistic ministers, greeters (at St. Mary's), lectors, musicians, sacristans, and ushers.

School Commission

Chairperson: Alan Bush, email: al_b_20@yahoo.com, 812-277-5959

A twelve-member commission, composed of appointed members of the parish and school, works with the pastor and principal to oversee the mission and goals of St. Vincent de Paul School. Meetings are held each month. The Commission helps in developing and executing the 5-year strategic plan for the school. An aggressive marketing and development program is vital to the financial health of the school, and therefore, the Commission is involved in fundraising and awareness of the value of our school to the community.
